RE: Data Practices Act request

Dear Mr. Langley,

I am submitting a request (the "Request") to your organization under the Minnesota Government Data Practices Act, Minnesota Statutes Chapter 13. Through my Request, I am seeking copies of the following government data:

1. Any and all data submitted by Greater MSP to AMAZON.COM.NVDC, Inc. ("Amazon") in response to the request for proposals issued in connection with Amazon's search for a second corporate headquarters.

I wish to obtain copies of all responsive data, and am willing to pay all applicable statutory fees associated with the production of such copies.

Please consider this letter to be a formal request for the indefinite retention of the requested data, pending resolution of the Request.

Per Minnesota Statutes 13.03, Subd. 3(f), I am requesting that in the event that any portion of the Request is not granted, that your agency certify in writing that the Request has been denied, and cite the specific statutory section, temporary classification, or other provision of law upon which the denial is based.

Sincerely,

/s/Matt Ehling
