Good evening Jean,

I believe you had a conversation with Tina about the verbiage added on page 3, Section VI.3 as it relates to public not interfering with their event. Per our conversation today, it sounded as if you had approved this new verbiage outlined in the final Agreement that has been attached to this email. If you agree, I will forward this final contract to Kevin tomorrow and will copy Tina and Dawn on the email.

Thank you, Jean; we look forward to getting this contract signed by all parties and will continue to look at new event opportunities.

Tannen

Jean,

One last little edit from the MN Vikings on their agreement. Their attorney and I spoke this morning. They would just like to have some language added that the building will be closed to the public and that the public will not interfere with their event.

They have added this new language on page3 in Section VI.3.

We would recommend to go ahead and accept this change.
