Good afternoon,

Over the last week, we have had conversations with the host committee with regards to your event along with other possible interested parties that are looking for event space. It appears there is interest for our event space on Saturday, February 3, 2018. In order for this to work, this group would need access to the event space at 12:00 p.m. on Friday, February 2, 2018. If you are able to work with us on this timeline, we would be willing to reduce our flat rate from \$300,000 to \$250,000.

We are eager to get your Agreement executed. Please let us know if you are ready to move forward and or if you have any further questions.
