Hi Louis & Alan,

We are still awaiting confirmation for June 13<sup>th</sup>. But I do have two meetings confirmed for when we are in Washington, D.C. the following week.

U.S. Senator Ron Johnson on Monday, 6/19, @ 3:30 EDT

U.S. Senator Tammy Baldwin on Tuesday, 6/20, @ 10:30 a.m. EDT

Rep. James Sensenbrenner is returning from an international venture on late Monday and it is uncertain if he will be available on Tuesday due to the travel (but we are checking). We are also awaiting a response on Speaker Ryan's availability.

More to follow, but please book those two meetings. - Mark

Hi Mark,

It was again great to renew our acquaintance since our meeting at Chief of Staff Priebus office on April 29.

We look forward to hearing from you and I will put on my thinking cap together with Alan and those from EY to think through our request of assistance from the special guest knowing the importance of federal assistance.

Best,

Louis

Thank you for the conversation, Louis.

I have now formally requested a 10-minute time slot for the two of you, along with Governor Walker, to meet with our guest. As we discussed, your conversation could center around the company's progress on its plan to invest in the U.S., the importance of having federal assistance, and an appreciation for the ongoing conversations you are having with the Office of American Innovation.

The request is being made this morning and we would expect to hear

back within the next 24 hours. If the request is granted, then you can decide if you want to pursue the meeting. Louis, we look forward to having you come to Wisconsin whether it is for this meeting or at another time in the near future. Please let me know if you have any questions. In the meantime, I will let you know as soon as I have confirmation. Thank you again. - Mark

I will call you at 11 pm (10 am, your time) at your mobile. The call will be to pick your brain to see if that is the most effective way to solicit more federal funding to supplement what Wisconsin is proposing especially if we are talking about the [REDACTED] which is in the neighborhood of [REDACTED] investment.

Look forward to talking to you.

Louis

Good morning (evening!), Louis. That is correct. On a call with Alan last night, I offered the idea for you and Alan to come on the 13<sup>th</sup> thinking it would be very good opportunity for you to discuss the importance of federal funding to supplement what Wisconsin is proposing to do. I am available from 10 a.m. (45 minutes from now) until 12:30 p.m. CDT today. The best way to reach me is my mobile ([REDACTED]) Please let me know what time works for you and I will wait for you call. I look forward to talking with you. - Mark

Hi Mark,

I understand from Alan you were very gracious to invite us to Wisconsin to meeting up with your special guest on June 13. If you have time, I like to call you to see if that opportunity will work for our agenda to either asking for his direct help for [REDACTED] or getting his support to have a more effective means to open more doors for federal funding to

level the playing field for us.  
Please let me know when is a good time to call.  
Best,  
Louis
