The participants in this afternoon's meeting will be:

Alan Yeung - FC's Director of U.S. Strategies, UW alum, met with the Governor at both the WH and the residence for breakfast, very supportive of having WI be the answer

John Garnetti - Alan's deputy who was part of the group we met with during the initial site tour on May 5th. An alum of U. Of Florida who has worked on FC's U.S. initiatives since 2014

Yeah Way (pr. u-way) Sun - President of Sakai Display Products (SDP) in Osaka. SDP was at some point part of Sharp, but was spun out to more aggressively develop the Gen10 technology. Yeah Way joined SDP 7 years ago and will be the primary host of the 6/2 trip as our tours, etc, will be at the SDP facility in Osaka. He has a home in Naperville and has two sons, one of whom graduated from high school (going to Montana State). Bot boys are Avis snowboarders and Yeah Way indicated they make frequent trips to WI during the winter. Yeah Way's traveling secretary, as am I, will be attending the 1:30 meeting.

This morning we began hosting about 30 FC associates from Japan, Taiwan, & China. They were in Michigan earlier this week. This afternoon and tomorrow, they will be touring the sites in Rock, Kenosha and Racine counties.

Yes, I can confirm that both Governor Walker and Mrs. Walker will be attending the dinner tomorrow night.

If you could possibly send the name of the room the dinner will be in as well as a guest list that would be great.

Thank you and let me know what you need from my end!

Matt

Subject: Dinner Tomorrow Night

Hi Matthias,

I wanted to reach out on behalf of Jared Kushner and Ivanka Trump to confirm Governor Walker's and his wife's attendance to dinner tomorrow night at the St. Regis.

I have cc'ed the WH Intergovernmental Affairs team to help coordinate logistics for security purposes.

Jared and Ivanka are looking forward to the dinner and hope that they will be able to join them!

Please let me know if you need any additional details,

Cassidy
