SG: Hey I was wondering can I tell Chelsey, Madeline, Abbey and the Chef that Fox Conn said yes? Or does the FL want to tell them?

BH: Not a word to anyone.

I haven't even told my husband and won't. If this got out it would be a problem. She really shouldn't have told us but she was excited and we were there.

SG: Np I understand. That is why I asked first.

BH: Good job asking.

Friday 7/21

9:31 PM

BH: We got confirmation that FL is going to DC for the White House event Wednesday. We will reschedule Walk, not telling them why but that she has to be at WH

SG: Ok. Do you know who is going to staff her? The hero award is on Wednesday and the walk is on Friday. So do we need to reschedule both or just the hero award?

Hero award is on Wednesday. Walk is on Friday.

Andrew wants to know if FL going to fly the state plane from MSN to D.C.?

Supposedly the Gov was going to be flying from Aspen to DC on a private jet

Then Governor will be flying on state plane from DC to Madison.

Sat. July 22 1:29 PM

SG: Just spoke to Matt. Rich, Neitzel and Hogan will be on the State flight.

BH: Copy. Did she get back to you yet?

SG: FYI and I sent it to Censky...from the First Lady: Scott and I just talked this all through...I will fly commercial Tuesday late. The plane will leave Wednesday morning. Hopefully, Theresa (person doing FL's makeup) will be on the state plane. Scott will talk to Rich

Thursday July 27 12:28 PM

BH to SG: Sent Tim Sheehy contact info

SG: FYI – FL talked to Scott Nietzel and they know that Madeline and I are handling the dinner. State is paying it. No one is supposed to make any more changes unless Madeline and I per FL instructions!!
