Hello Todd,

I have attached the notice that was published in the paper and the draft request for council action (RCA). I note within the RCA that I will be presenting the application information, so I have also attached my draft of the slides for that presentation. I don't anticipate the slides will change much before the meeting.

We are still finalizing the resolution and supporting documents with Dave Schaps, but will hopefully have all the documents completed by the end of today or tomorrow morning. The full agenda will be completed by the end of the day Thursday, so it can be sent out to Council on Friday.

Hi guys -- hope you are well. Would you be able to send me the final notices that were published for the March 19 and March 26 hearings respectively; and also, have the agendas been published yet for the hearings? If so could you please forward? Thanks!
