In August we will be involved with the DOD exercise that's taking place in Minneapolis and St Paul on our team training days (supervisors have been given this info already) which should be coming out soon on email. We also are needed to support DOD at their training sites and we are looking for volunteers to work each of the days listed below;

August 11<sup>th</sup> need 2 officers.  
August 13<sup>th</sup> need 4 officers.  
August 14<sup>th</sup> need 4 officers.  
August 19<sup>th</sup> need 2 officers.  
August 20<sup>th</sup> need 4 officers

If you are interested in filling any of these slots please let me know asap. Once I'm able to confirm you for the specific dates I will have you fill out S/D forms so we can get them in to your brass right away.

Thanks,  
Mike
