Hi Tom – Just to confirm, PCG was the only bidder and were they awarded the work?

Hi Tom – I was just writing to follow-up on the below. Do I need to officially re-submit my open records request after the contract is finalized? Or am I “on record” and you will automatically process my request when the time is right? Just wondering whether I need to keep making the request or whether I should just wait to receive the documents.

Please advise – many thanks – [REDACTED]
