Hi Jannie—

We gave the PCG people your contact information last week. On Friday I had a progress update with them. They said they were in the process of making contact with the several people whose names we gave them, so I'd expect them to call you any day now.

I have attached a copy of our contract with PCG to give you some perspective on what their scope of work is. See especially the work plan on pp. 18-23. Let me know if you have any questions about this contract.

Mark: We spoke briefly last week about a value of health plans report that needs to be written. DHS hired a PPG group from WI to complete the report. You indicated that the consultant would call me so that I could identify the right people for a meeting. I haven't heard from them. When is the report due? Are there a set of questions/deliverables? That would help me identify people. Thanks. Janny
