Mark. Thanks for the voice mail with the heads up that the draft of the "value" report may arrive next Monday afternoon. You mentioned that you weren't sure if (or how much) of the report you could send to health plans for review and also that you will have a short turn-around time. At the last DHS/Council meeting, plans left with the impression that they would get the opportunity to review the report. Given the consultants' limited knowledge of MHCP structure, history, and policy, a review for accuracy seems critical. I know that the plans will prioritize reviewing the report. If I can help facilitate a review, please let me know ASAP. I'll be in San Diego next week at a conference so if you need any help from me, I'll need to know by Friday. Thanks. Janny
