Hi Gretchen,

Thank you for speaking with us this afternoon. Attached are the revised waiver and expenditure authorities. Please note that we anticipate adding an authority for the farm depreciation, and will follow up on Monday with revised language if that is the case. Also, as we mentioned during our call, we will need to have some further discussion about the children residing in foster care or a juvenile residential correctional facility on the child's 18th birthday before we can determine if additional authorities are necessary.

Have a great weekend.

Jen

Gretchen,

Please find the attached draft STCs in track changes. I'm running out the door to catch a flight, but Jen Sheer will send you a revised expenditure authority and waiver list in the morning. We need to add an expenditure authority for the foster/juvenile correction facility kids automatic eligibility. I'm out of the office tomorrow, but so please make sure you copy Angela and Jen on anything you send to me.

Thanks,

Jessica
