

Minnesota Office of the Legislative Auditor

Notice of Request for Proposals for Audit and Actuarial Services

The Minnesota Office of the Legislative Auditor (OLA) is requesting proposals for the purpose of establishing two master contracts with qualified firms or individuals to provide audit and actuarial services. Contractors will work under the direction of OLA to audit and analyze information provided by managed care and county-based purchasing organizations for Minnesota's public health care programs. The audit and actuarial work will be conducted primarily to determine the completeness and accuracy of managed care and county-based purchasing organizations' financial and other data submitted to the State, and assess compliance with state and federal laws, including federal Medicaid rate certification processes.

Access the full Request for Proposals at the Office of the Legislative Auditor's Web site:
www.auditor.leg.state.mn.us.

Proposals must be submitted no later than **4:30 PM**, central time, on **Friday, August 23, 2013**. **Late proposals and proposals submitted by fax or e-mail will not be considered.** Work is expected to start after September 13, 2013.

This request does not obligate the Office of the Legislative Auditor to enter into a contract with responders to this proposal or to complete the work contemplated. OLA reserves the right to cancel this solicitation. All expenses incurred in responding to this notice are solely the responsibility of the responder.

Minnesota Office of the Legislative Auditor

Notice of Request for Proposals for Audit and Actuarial Services

The Minnesota Office of the Legislative Auditor (OLA) is requesting proposals for the purpose of establishing two master contracts with qualified firms or individuals to provide audit and actuarial services. Contractors will work under the direction of OLA to audit and analyze information provided by managed care and county-based purchasing organizations (MCO) for Minnesota's public health care programs. The audit and actuarial work will be conducted primarily to determine the completeness and accuracy of MCO financial and other data, and assess compliance with state and federal law, including federal Medicaid rate certification processes.

Access the full Request for Proposals at the Office of the Legislative Auditor's Web site: www.auditor.leg.state.mn.us.

Proposals must be submitted no later than **4:30 PM**, central time, on **Friday, August 23, 2013**. **Late proposals and proposals submitted by fax or email will not be considered.** Work is expected to start after September 13, 2013.

This request does not obligate the Office of the Legislative Auditor to enter in to a contract with responders to this proposal or to complete the work contemplated. OLA reserves the right to cancel this solicitation. All expenses incurred in responding to this notice are solely the responsibility of the responder.
