Hi Matt –

I double checked our system and it does not appear as if this appeal was ever routed to OIP. From the delivery confirmation it looks like it was sent to the RFK Justice Building. Just FYI for future appeals, OIP is located at 1425 New York Avenue. Regardless, if it was received at the RFK building it should have been routed to OIP. I tried to follow up with Al Owens, but I was not able to find a DOJ employee by that name. However, I now have your appeal and I will walk it over to the appeal intake people now. You should receive an acknowledgment letter in the coming days. Please let me know if there is anything else I can do.

Thanks,

Ken
