Dear Ms. Kennedy,

Thank you for facilitating my recent inspection of data responsive to my Minnesota Government Data Practices Act (MNGDPA) request of February 22, 2012. Attached is a list of documents that I am interested in receiving copies of.

Please note that the document names listed in the attachment were manually transcribed, and may contain errors in numeration, punctuation, or otherwise, due to the method of transcription.

The documents that I inspected on March 13, 2012 were maintained within a computer storage medium as PDF, docx, and xls files. As provided by Minnesota Statutes 13.03 subd. 3(e), I would like to receive my document copies in the same electronic format in which these documents were stored, provided that your agency can reasonably make a copy of the responsive data in that format.

Thank you for your assistance in this matter, and please contact me with any questions you may have.

Sincerely,

Matt Ehling
