Re: Your Copy Request Received April 1, 2012

Dear Mr. Ehling:

On April 1, 2012, you requested copies of certain data files that you inspected on March 13, 2012. The Minnesota Department of Human Services ("DHS") has received your subsequent payment for these records. Consequently, these files are enclosed.

Please let me know if you have any questions. I understand that the fulfillment of these records concludes your requests for records. Please inform me if I am mistaken. Thank you again for contacting DHS.

Sincerely,

Jessica M. Kennedy
