RE: Data Practices Request – January 14, 2016

Dear Mr. Kaszuba:

I have been forwarded your January 14, 2016 data practice request to Patrick Hogan for government data of the Metropolitan Airports Commission (“MAC”).

For records or government data from January 1, 2014 to December 21, 2015 regarding 1) contracts executed; 2) memoranda of understanding executed; or, 3) records of payments from MAC to Greater MSP, MAC does not have any government data of contracts, memorandum of understandings or records of payments to Greater MSP.

For records or government data for correspondence between the staffs of MAC and Greater MSP, MAC does have some email correspondence.

The documents responsive to the above requests are available for inspection. Please contact Pam Hardimon-Jackson at 612.794.4302 to arrange for a mutually agreeable day and time to inspect them.

Sincerely,

A handwritten signature in black ink that reads 'John R. Kedrowski'.

John Kedrowski
