US Bank Stadium | Behind The Scenes Tour for GREATER MSP Investors

This is a fun opportunity for GREATER MSP Investors to get a "behind the scenes" tour of the new US Bank Stadium! Come join us on a personal tour of the new stadium as it takes shape learning all about one of our region's newest and high-profile assets.

We will begin the one-hour tour at the Vikings Preview Center to see an up close model of the stadium and get a virtual tour of the finished facility. Then we will head across the street and tour US Bank Stadium - home of the 2018 Super Bowl!

The tour is limited to 20 participants.

REQUIRED Attire: Tour attire guidelines will be sent to you upon registration. Please be sure to review and dress properly for the tour. Mortenson will not be able to bring anyone on the tour who is not properly dressed.

REQUIRED Waiver: A tour waiver form will be sent to you upon registration. All participants must complete and return a waiver form prior to the tour. You may email the completed waiver ahead of time to Judy Johnson at judy.johnson@greatersp.org. No one will be allowed to participate on the tour without this waiver form.
