Dear Molly,

On behalf of the entire Board of Directors and the 2015-2017 Investment Campaign Task Force, thank you for your commitment to our community and for your financial support of \$50,000 annually, beginning in 2015 through 2017, to fund GREATER MSP's economic growth strategies.

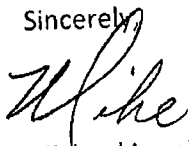

Washington County's involvement and financial commitment will certainly encourage others to also step forward to ensure a strong economic future for the Greater MSP region.

Together we are building on great momentum as we take on powerful opportunities to lead the world in solving the most important challenges for the future.

It is only because of the generous support of our investors, like you, that we are able to advance our mission to accelerate capital investment and job growth in the region.

Thank you, again, for helping our region prosper!

Sincerely,

Michael Langley
CEO, GREATER MSP
