Dear Holly,  
Thank you for your last message and answers to my initial questions. My apologies for the delay in responding today, I have been with clients. I understand that Greater MSP has signed and returned the NDA and this has led to additional communications between your organizations. We (DEED) are eager to expand the conversation with you as well. I have shared your NDA with our internal legal counsel. We should get feedback no later than Monday from counsel and if, for any reason, they request modifications, I will forward them. However, please know we are fully engaged and working with our partners to formulate a response to the RFI. I plan to be in contact with you on Monday with either a signed NDA, or with an update on its status. Further, per your request, we will not be forwarding/sharing your direct e-mail address with external parties (we imagine you are receiving enough emails as it is...).

Sincerely,

Jeff Rossate
