Hello Rachel S.,  
Tricia and I met this morning regarding gifts.  
Mr. Gale Klappa, with WEC Energy Group, is arranging for a customized Bucks jersey. As the head of delegation, Governor Walker would give this on behalf of the group.

For the less senior members, we have arranged a small gift of Frank Lloyd Wright-inspired coasters. We've given those from WEDC previously, but it'll be (2) coasters similar to the link:  
[https://images-na.ssl-images-amazon.com/images/I/61EAqNCQtL\\_SL500\\_AC\\_SS350.jpg](https://images-na.ssl-images-amazon.com/images/I/61EAqNCQtL_SL500_AC_SS350.jpg)

I'm confirming the most appropriate time/place for the gift exchange and will include it in the briefing documents.

I'll also include the reminder that business cards in Japan are given and received with two hands and shouldn't be written on or placed in the pocket etc (like we do in the USA) as it's an insult.

Does the above work? Questions?

Sincerely,

Rachel Best, CMP

Hi Rachel,

Yes, WEDC is planning a gift for the Governor to present - Rachel B and I are planning to work on that today. Also, we agree that is a great call to send the Japanese business cards along.

A couple trip details I would like to confirm:

-Is WEDC planning to organize a gift from the Governor/State of Wisconsin? Let me know if there is a plan for this/if you need anything from me. I would like to note it in his briefing so that he is aware.

-I'm planning to send the Governor with his Japanese business cards; Eileen had a filing cabinet with several sets of business cards from previous trips. I'm guessing it would be a good idea in this instance.

Thank you,

Rachel

All,

Please see attached schedule revision. The only change is to the flight time, the arrival times are the same as previously noted.

All - I miscalculated the flight time from Milwaukee-Osaka and back home again (both flights are 1 hour longer than listed in the document I sent over the weekend). Attached is the corrected document.

Hi Jim,

Thank you for this; I will pass along to Governor's team, Sec. Neitzel and John G.

I believe that dinner will be at/near our hotel on Saturday but will send confirm of that once that piece is wrapped up.
