Hi Marisol:

I conducted a quick google search and found this website about a transit oriented development project at this location: <http://stpaul.gov/snellingredevelopment>;
<http://metro council.org/METC/files/83/83a18953-1278-4270-8116-0667eee451d0.pdf>

This may be a joint development conversation.

Tim

Subject: BRIEFING REQUEST: TOA Phone Call with St. Paul Mayor Chris Coleman

Hi Region 5 folks:

Please consider this email a briefing request for Matt Welbes' phone call next Thursday with St. Paul Mayor Chris Coleman. Mayor Coleman requested the phone call to discuss an agreement with the Metropolitan Council on land near University Avenue and Snelling Avenue in Saint Paul that requires DOT/FTA approval.

Please determine what, specifically, the Mayor would like to discuss/request as it relates to this request. What does the Mayor want DOT/FTA to approve? And provide other relevant background associated with this request.

Please send your draft briefing to Sarah Clements in TCA by COB Tuesday, Sept. 8. She will finalize and provide to TOA.

Thanks!

Angela

If one of the Thursday or We'd times works you can book it. I'd like a day or two in the office before the call. Please also have TCA obtain information from region 5. Thank you.

Leonard,

I've been asked to try to set up time for Saint Paul Mayor Chris Coleman to have a half-hour phone call with Matt Welbes regarding an agreement with our local Metropolitan Council on land near University Avenue and Snelling Avenue in Saint Paul that requires DOT/FTA approval. My understanding is that the Mayor would like this call to take place by Friday, September 11; here are times that work for Mayor Coleman (I've listed Eastern Standard time first):

Tuesday, September 8, 2015, any half hour time between 3:00 – 5:00 p.m. EST (2:00 – 4:00 p.m. CST)

Wednesday, September 9, 2015, any half hour time between 5:00 – 6:00 p.m. EST (4:00 – 5:00 p.m. CST)

Thursday, September 10, 2015, 9:30 – 10:00 a.m. EST/8:30 – 9:00 a.m. CST or any half hour between 1:00 – 2:30 p.m. EST (Noon – 1:30 p.m. CST)

Please let me know the best number for Mayor Coleman to place this call on the date we determine.

Thank you!
