Re: Minnesota Data Practices Act request

Dear Mr. Ehling,

The Data Practices Act request you sent to Mr. Roy Fuhrmann has been referred to me for a response. As suggested in your letter, I have spoken with Mike Kaszuba regarding your request which was received on February 12, 2018. As I explained to Mr. Kaszuba, MAC does not collect the aircraft registration numbers you are seeking for operations at the St. Paul Downtown (STP), Flying Cloud (FCM), or Anoka County/Blaine (ANE) airports.

In the phone conversation I did offer to provide the total numbers of operations at the St. Paul Downtown, Flying Cloud, Anoka County/Blaine, and Minneapolis-Saint Paul International (MSP) airports related to the Super Bowl. That information is as follows:

MSP – 365 arrivals

STP – 480 arrivals

FCM – 367 arrivals

ANE – 270 arrivals

In addition there were 51 charter operations at MSP related to the Super Bowl. Information on those charter operations is included in the attachment.

If you seek further explanation of these numbers please feel free to contact me.
