We've been told to expect 500 total, with approximately 200 on the ground at any one time. MSP is planning on 100 on the ground. We are planning for 150 on the ground at the Reliever Airports (hedging the bet).

Gary Schmidt
MAC --

We've corresponded several times by email over the past year, dealing with air traffic in the Twin Cities due to last year's Super Bowl.

Had another question: You gave me numbers of flights into MSP, St. Paul, Flying Cloud and Anoka last year related to the Super Bowl. Do you know how many total flights you expect into the Twin Cities in April for the Final Four?

Thanks.
