Todd/Tim,

Is this email legitimate? Seems bogus to me. We won't respond unless you give us the green light. Let me know your thoughts.

Subject: Introduction to Google

Hi Dan and Greg,

My name is Genevieve and I am the energy policy lead for Googleb for Minnesota. As part of a broader team, I have been working closely with Xcel on the recent filing. Please allow me to introduce some of my colleagues as well, Andrew, Dan, and Charlotte, who also with on policy and communication. It is a pleasure to meet you over email.

We thought it might be a good idea to share our contact information so that we can discuss any relevant items that pertain to our potential data center--especially as it might involve external communications.

Are you free to set up a conversation to discuss?

Thanks,

Genevieve
