Team,

Notes from today's meeting that are relevant to POTUS visit:

- There will be a press conference tomorrow with the Chief addressing what MPD is doing for safety. They will not be talking about uniforms in any way. It will be in room 132 at 1:45 p.m. Elder also said that Public Works completed and provided a draft of the road closures and sent it to Elder this morning. It is under review but he hopes to have it ready and printed out large for the press conference tomorrow.
- There will be media staged at both the MSP airport and downtown around Target Center.
- Police will be having their own JIC including Hennepin County, U of M police, State Patrol, MPD and Sheriff's office. It will be on the first floor of City Hall. MPD said they plan to send an officer to our EOC for streamlined communications.
- City Comms. and NCR said they will have staff for interpretation in varied languages if need be in their JIC.
- I have attached the approved key messages. In social media the city will be attempting to Crowdfsource #weareminneapolis and #wevote , etc.
- Protesters held news conferences today and also posted Facebook live, etc. trying to garnish more support.
- Protestors were able to secure funds to get and to fly the big Baby Trump balloon at the protest event and it is known to draw a lot more folks out just to see it and take selfies with the balloon.
