Importance: Normal

Commander,

The requests I received:

- Secured parking for up to 100 vehicles for motorcade (staffing to maintain this area included 36 MPD and 12 HCSO) – **USSS**
 - Most of the Warning Lites costs went toward this effort. Cement pyramids, fencing and detour signage
 - Some of the Warning Lites costs went toward maintaining safe areas in which we predicted demonstrators would gather
- Safe area for the “during rally” party with room for up to 10K people who were denied entrance due to capacity of the venue (staffing included 15 HCSO) – **White House**
- Skyway space and delineation for the line that started on Oct 9th (staffing included Lt House’s group of 84 MPD) - **White House**
- Sand trucks with drivers at key locations – **USSS**:
 - On 7th St west of the A-ramp underground ramp entrance/exit – 1 truck, unmanned or manned
 - On 1st Ave between the 1st Ave Club garage door and the energy building – 2 trucks, unmanned or manned
 - On 8th St between The Seville and the A-ramp – 2 trucks, unmanned or manned
 - On 2nd Ave N at 5th St – 2 trucks, manned
 - On 7th St on the SW corner of the Twins stadium - 1 truck, manned
- Specific liaisons for the following USSS agents – **USSS**:
 - Counter-sniper liaison, Sgt Dubuc
 - Venue float liaison, Cmdr Lund
 - Venue Communications room, Lt Torborg
 - Entry point into secured zone, Sgt Steve Herron

The **USSS** requestor was Agent Bryan Mazzolini

Subject: FW: Target Center Rally Security Requests

If you have any specific requests made from Secret Service can you send them to me. I tried to explain its generally not how all of this works but let me know if you received specific requests that I can articulate back. The only one I am aware of is for the sand trucks.
