Subject: [EXTERNAL] Trump Target Rally

Greta,

I sent this email below to Casper last night and I haven't heard back. Wondering what happened in the final analysis with the Trump Rally last October at Target Center. We received 2,500 pages through a DP request but it didn't answer our basic questions:

- Did the City recoup any of its incurred expenses for the rally?
- Is the City still trying to recoup those expenses from the Trump Campaign?
- Is the City contemplating any revision with its contract with Target Center and AEG?
- Have there been any subsequent agreements or understandings?

And just a suggestion maybe for your department, its awesome to get a reply back that you've received a message from the media. It saves us the time of a follow-up like this. Thanks,

Lyden
