Perfect! Thank you. I'll make these updates, and I should be able to publish the op-ed shortly. I'll send you a link once it's up.

Are the changes highlighted? It's going to be hard for me to review them otherwise.

He made a few stylistic edits throughout, mostly to the portion dedicated to the president's inconsistencies. Wanted to stick closer to the language he originally submitted.

I also gave Mark faulty intel regarding the latest from the booking agent and their discussions with the campaign, so the stand-off paragraph was updated for substance.
