Great to hear from you! Unfortunately I cannot come to New York for the hearing (I have to teach that day) but we have very able counsel to handle it. There will very likely be several more hearings before a decision. Then there will be apoeals etc.

I very much hope to get back to New York soon and hope you will ask me on your show again -that was so much fun! You and your colleagues are wonderful --and I miss you all after dealing with Tucker Carlson last night on his show. The topic was guns, and he wouldn't let me get a word in. Then my email in box filled up with hate mail from gun nuts all over the Country.

I hope all is well with you and look forward to seeing you again soon.

Best,

Richard

Hello Richard,

This is Sara from *The Opposition* show. I hope you are doing well! Thanks again for coming on our show recently, you were a big hit!

I read that next week a judge in New York will hear the arguments brought by your group, Citizens for Responsibility and Ethics in Washington, on whether or not Trump's business dealings violate the Constitutions Emoluments clause. If you don't mind me asking, will you be there arguing the case as well? I wasn't sure how that worked and wanted to inquire. Best of luck, either way.

Hope things are going well,

Sara
