You bet. I attended school at UNC-Chapel Hill. Wish I could be there. I'm in Western North Carolina, the Asheville area. I will definitely spread the word. Keep up the good work! All Americans should at least be very concerned about this President right now.

Hi, Professor Painter. Just a note of thanks for your appearance on "All In With Chris Hayes" on MSNBC, Joy Ann Reid in for Chris tonight. You said everything I am feeling and sensing. I think this President is completely crazy, clearly "a loose cannon." I'm not even into politics heavily, or psychiatry at all! Thanks! I'm a voice coach and singing instructor in the mountains of North Carolina! Keep up the good work!
