3 PM EST? I have a class to teach today that ends at 3:20 EST but I could end the class early if you put me on the latter part of the show and send a car over to the U of Minnesota law school to take me to Encompass Media and back (that will save me at least 10 minutes finding parking, walking to the studio, etc.) What hit time would you want?

Still hoping and praying you can be on the 3pm show today to talk ethics and Trump / Bannon

Thanks so much
