All, I think Jose Hernandez from SB airport operations planning is coming to town the week of December 12 and he is a vital part of any discussion we have. Let's hear from him on availability then go from there.

Thanks.

Phil

Good Morning John,

Would it work to meet following the customer meeting on Monday the 12th around 11:15 here at the tower? We should have everyone here for the meeting anyway.

Thank you,

Gentlemen,

I'd like to schedule a meeting sometime during the week of December 12th, 2016 to discuss preliminary planning for aircraft operations for the 2018 Super Bowl. Please send me the dates and times that work best for you during that week and I will set up the meeting. Depending on availability, we can either meet at the MAC General Offices or the FAA Air Traffic Control Tower. Thank you.
