Hi Reggie,

Would you be able to help us with getting the insurance documents for Agape so that we can finalize your contract.

He hasn't responded and hasn't sent his insurance. The contract is just sitting there waiting to be executed. Can you help?

Alfonzo – I don't believe that we ever received this from you. Can you please submit it asap as we are unable to move forward with processing your contract until we receive it.

Please acknowledge this email.

Best,

Maija
