Hi Bill,

I know the Mayor is also trying to reach him. While I don't know his reason for no response, it could be because he is speaking with the Mayor and therefore can't talk to you due to the Open Meeting Law.

I hope your vacation is going great!

Lindy Crawford

This resolution is fine with me. I reached out to Councilman Engstrand and he has not replied. Not sure how to proceed.

I'll try again today.

Good afternoon City Council,

With the hopes of having a productive Council meeting on March 8th the Mayor and I have revised the resolution for consideration.
